What our Customers Say

■ BMS Technology Pty Ltd

Adelaide, S.A., Australia

Wholesale and distributor of computer hardware

"We needed the ability to list large numbers of stock items and track them all the way through our business - from the minute stock enters the door to the minute it leaves. We needed comprehensive reporting. JIWA has it. We are able to monitor every aspect of our business, from purchase orders, to sales, to the profit we make on each sale."

"The Microsoft SQL based system allowed us to do any type of development we liked and develop a web presence because of its open database. From the minute we book an item into stock in JIWA, our website is updated instantly and this saves us so much time and eliminates errors."

Mr. Paul Rugari
Director

■ Pet Pacific

Penrith, NSW, Australia

Wholesaler and Distributor to the Pet Industry

"Within seconds, information is at our fingertips, customer service and telephone staff can accurately access detailed information. The searching capabilities embedded in the software are tremendous, and this has significantly reduced staff time and costs because information is obtained when we need it. JIWA is our fulltime Accountant, Customer Service and Financial Manager."

"Once upon a time, many hours of manual labour were required; now with the push of a button in JIWA Financials the information is at your fingertips. The capabilities are endless."

Ms. Kim McGregor
Administration Manager

■ Rally Speed International

Sydney, NSW, Australia

Retailers and manufacturers of Quality Auto Accessories

"JIWA Financials has empowered our company with the opportunities that have enabled the business to work more effectively and utilise staff time better. The drill downs in the system have helped us save so much time and effort; with a click of a button we can drill down to any transaction and go direct to the source."

"We have a huge number of inventory items and the JIWA Financials speed is not affected at all. The system is fast and powerful at all times. With JIWA Financials we can now have multiple users all working in the same module at the same time without users having to log-out of the system."

Ms. Victoria Brennan
Director

■ South Eastern Office Supplies

Vermont, VIC, Australia

Suppliers and Distributors of office products and stationery

"A system changeover for any organisation is usually the most disruptive event a business can endure," says Trish Henderson, Managing Director. "Our new application went live without a hitch - this is a fact few companies could boast. Anyone with a smattering of windows experience can fly around the JIWA system almost immediately. This cuts training time and helps with our sales staff who traditionally may not be competent computer users."

"Our expectations were exceeded by professionalism, knowledge and an absolute commitment to a seamless integration. JIWA Financials is a fantastic new support to our team and has been greatly enhanced by professional support and a thorough implementation."

Ms. Trish Henderson
Managing Director

■ Scenic Coaches Ltd

Manger Bridge, Auckland, New Zealand

Service Provider for group tourists and charter industry

"The decision to use JIWA Financials was based around the need for a flexible and friendly package based on modern up-to date technology, especially with an open database like Microsoft SQL. Customer service and access to information for customers has greatly improved with the implementation of the JIWA Financials system. It has integrated all business departments into one system."

Mr. Phillip Manning
General Manager

■ Space Industries Limited

Wiri, South Auckland, New Zealand

Manufacture and Distributor of Chemical based products

"We required easy-to-use and friendly windows based accounting and distribution with superior inventory functionality, serial number/lot tracking, and especially bill of materials for our manufacturing and sales order processing. The JIWA Financials system gives us advanced performance in all our business departments because internal communications is more effective."

Ms. Dawn Young
Office Manager

■ McGloins Classic Brands

Sydney, NSW, Australia

Wholesalers of Pharmaceutical Products

"JIWA Financials has given us the flexibility and functionality to carry out all of our assembly and warehousing needs. The product's strengths in reporting and inventory management have made JIWA Financials a valuable tool in the day-to-day running of our business."

Mr. Stuart Barnes
Director

■ JH Computer Services

South Perth, W.A., Australia

Computer wholesales, resellers and Distributors. Supply, installation, support and servicing of reliable, brand name computer systems, associated peripherals, imaging products and other associated equipment

"Because JIWA is a Windows-based package, little training was required. While it is not easy getting used to a new package, the on-screen facilities are very helpful. Anyone who is familiar with Microsoft products will have little difficulty adapting to JIWA. In appearance, it resembles Access or Excel and links well with these products."

"JH Computer Services is now able to prepare an update sheet for all of its clients via facsimile. The task is accomplished by JIWA in about an hour. The benefits are obvious."

Ms. Jennifer Clay
Managing Director
